TEL: 01258 452 626 FAX: 01258 453 548 EMAIL: office@damoryvets.co.uk www.damoryvets.co.uk

Dear client,

The past Covid year has been tough for everyone and we appreciate the economic impact on horse owners and equestrian businesses alike. As we emerge from lockdown we want to support our clients and provide affordable veterinary care for your horses.

Firstly, we have decided to continue with our zone visits at the recently, further reduced rate of £15. These are our reduced cost visits for routine work such as booster vaccinations, routine dentistry, blood sampling etc. (see our website for more information).

Secondly, we have revised some of our prices for diagnostic work so if your horse needs further veterinary investigation, this is affordable. Do let us know if you keep your horse on a yard which might be interested in a regular discounted visit.

Finally, if you are experiencing financial difficulty, please contact the surgery to discuss your personal situation with us in the strictest confidence.

We wish you all a happier and healthy 2021 and look forward to seeing you out hacking and competing soon.

Yours sincerely,

Equine Department
Damory Veterinary Clinic
